ECONOMIC DEVELOPMENT IN INDIA

2016. Hardcover. Condition: New. 298 ABOUT THE BOOK:- Economic development is the sustained, concerted actions of policy makers and communities that promote the standard of living and economic health of a specific area. It can be referred to as the quantitative and qualitative changes in the economy. The study of economic development was borne out of an extension to traditional economics that focused entirely on national product, or the aggregate output of goods and services. It is important so that...
